

Re:Charge R&R Newsflash

28th July 2015

BOURNEMOUTH FUN DAY OUT!

As we reported in June's Newsletter the Lions Club of Maidenhead gave a splendid donation to Re:Charge R&R specifically to give all our families and mature friends an old-fashioned day trip to the seaside. So on Saturday 25th July a crowd of happy people descended on Braywick to meet four coaches to whisk them to Bournemouth where sun, sea and a lovely sandy beach awaited. Maidenhead Lions Club President **Robin Butler** was there to wave the convoy off at 8am on a lovely sunny morning. Every child was given a bucket & spade, and every family was given some funds for a nice lunch. They were soon at Bournemouth, and the families lost no time in getting on the lovely beach and having some fun, young and old alike! The bucket and spades seemed to be used by the adults as much as the children! The photos below give you a flavour of the day. The coach convoy got back to Maidenhead at around 7pm with a lot of tired but very happy day-trippers! So from Hannah & Georgie and all our families, **thank you so much, Lions Club**, for a really brilliant gesture, which was a 100% success!

Robin Butler, President of the Lions Club, with Hannah, amongst the throng!

Just some of the 200 people, ready to go!

The R&R convov on its' way!
