3. Sign the Gift Aid Declaration

Increase the size of your gift by 25% with the help of the taxman. Gift Aid is a government scheme that allows us to recover 25p for every £1 you give – from tax you have already paid so it doesn't cost you a thing. That means £10 can be turned into £12.50.

I would like Re:Charge R&R to treat all donations I make from the date of this declaration, and any donations I make in the future as Gift Aid donations.

I confirm that I am a UK Taxpayer and understand that if I pay less Income Tax/or Capital Gains Tax than the Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference.
